Information

All our Big Bags for the agricultural world are "Food Contact" approved. You can find our certificate directly accessible for download in the "Technical Data Sheet" tab.

We also have a "Certified Food" also called Food Grade classification.

Certified Food Bulk Bag are produced in a so-called "clean" room, with a controlled atmosphere. Bulk bags produced under these conditions are also checked 1 to 1 and cleaned a second time inside in order to limit impurities and microfiber as much as possible.

Our Food Grade Bags are recognizable by their reference. An "A" is present just after the mention of safety resistance such as :

BBS100X100X150-4S-1250-A-GR-GV-C.
